**Object : XIX MLAIC. European Championship 2020**

Dear delegates,

the unpredictable events related to Covid-19, and the persistence of restrictions in Italy, especially in some areas, including Parma, give us no alternative to the sad decision to cancel the event scheduled for August 22nd-29th. The CNDA Board has already decided in this regard, considering that there isn't the possibility of moving the event in the autumn of this year.

I enclose the resolution in which, at the same time, we ask the assignation to the organization of the 2023 European Championship.

CNDA remains fully available, however, also for the foreseeable future, when the epidemic has stopped, to compete in a sporty way and offer you our hospitality, conviviality and friendship.

A cordial greeting and goodbye.

Delegate MLAIC for Italy  
Antonio Ferrerio

President CNDA  
Gianmario Delvò
